Experience

Tactical Studio

Co-Founder Producer
2020 - 2023

I co-founded a production studio specializing in digital design and 3D experiences. My duties include content creation, marketing, leading the design team, designing UX/UI, and producing 2D/3D animations.

We Are Cinco

Senior Digital Producer
2019 - 2020

My main duties were the management and overhaul of the company's digital development department and graphic design department without compromising the ongoing productions.

Scéno Plus

Video Systems Conceptor
2015 - 2019

Conception, integration, and commissioning of video systems for various MGM properties. Development of a virtual reality simulation system to visualize the project's architecture before construction.

Cirque du Soleil

Digital Media Expert
2006 - 2014

I oversee the creation of diverse projects. This includes managing the production of show storyboard illustrations and designing VFX video projections for the shows and special events.

Education

Salette College

Montreal, Canada
2002 - 2004

As an illustration and infographic lecturer, my role was to guide students in understanding and practicing theory while honing their skills through practical exercises. I provided feedback, and encouraged exploration.

Salette College

Montreal, Canada
1998 - 2002

I graduated in graphic design, both traditional and digital. My expertise includes multimedia conception, advertising, and marketing. Additionally, I have skills in typography, illustration, and infographic design.
